

# Welcome Our Veterans Home

October 1, 2022

On October 1, 2022 our Korean and Vietnam War Veterans will return from Washington DC on an Honor Flight trip. Help us give them the long overdue welcome home they never had and deserve!

We would like to see the sidewalks lined with well-wishers holding signs and US flags. This one small gesture helps bring healing to these Veterans.

***“You have no idea what wounds it healed having people cheer and clap and be proud of you. It’s the best thing that ever happened to me.” Vietnam Veteran***
